Explanation of Responses:

1. Stock units are convertible into registrant's common stock on a 1-for-1 basis.

Stock units issued under the registrant's Non-Employee Director Deferred Compensation Plan in lieu of cash payment for director fees for the second quarter of 2009 in the amount of \$8,375. The Stock Units become issuable in common stock of the registrant at the election of the reporting person upon the reporting person's termination of service, a change of control of the registrant, an unforeseeable emergency, or a fixed date selected by the reporting person. The stock units granted were calculated using the closing price of the issuer's common stock as reported on the NASDAQ Global Market on July 1, 2009.
Common stock to be issued under the registrant's 2006 Equity Incentive Plan, which expires June 6, 2016.
